

# ERASMUS FOR YOUNG ENTREPRENEURS

# INTRODUCTION

Erasmus for Young Entrepreneurs is a program that aims to help new and aspiring entrepreneurs gain the skills and knowledge they need to succeed in their business ventures. The program offers opportunities for young entrepreneurs to work with experienced entrepreneurs in other European countries, helping them to gain valuable experience and expertise.

# INTRODUCTION

The Erasmus for Young Entrepreneurs program is founded by the European Commission and is designed to support entrepreneurship in Europe. It is a cross-border exchange program that allows new entrepreneurs to work with experienced entrepreneurs in another European country, providing them with the opportunity to learn about new markets, expand their networks and gain a better understanding of how to do business in other parts of Europe.

# KEY FEATURES

- Cross-border exchange: The program allows young entrepreneurs to work with experienced entrepreneurs in another European country, providing them with the opportunity to learn about new markets and expand their networks.
- Duration: The exchange lasts from **one to six months**, depending on the needs of the entrepreneurs involved.
- Funding: The program provides **financial support** to cover travel and living expenses during the exchange period.

# KEY FEATURES

- Learning objectives: The program is designed to help young entrepreneurs **learn about entrepreneurship, develop new skills, and gain hands-on experience** in a new environment.
- Mentorship: The experienced entrepreneurs act as **mentors to the young entrepreneurs**, providing guidance and support as they navigate the challenges of starting a new business.
- Networking: The program provides opportunities for young entrepreneurs to build their **networks** and connect with other entrepreneurs in Europe.

To participate in the Erasmus for Young Entrepreneurs program, young entrepreneurs must meet certain eligibility criteria. They must be either **planning to start their own business, or have recently started a business (within the last three years)**. They must also be a **resident of an EU member state or a country that is a part of the European Free Trade Association (EFTA)**. 40 countries in general can participate in this program.

The Erasmus for Young Entrepreneurs program is a great opportunity for young entrepreneurs to gain valuable experience and expertise as they start and grow their businesses. By working with **experienced entrepreneurs** in other European countries, they can learn about new markets, develop new skills, and expand their networks, all while gaining a better understanding of how to do business in Europe.
